

# Parent Permission for PG-Rated Movies

Dear Parents,

Until recently, we've only shown G-rated movies at KABB. However, there are many recently released movies that are rated PG and are family-friendly (movies like "Shrek" and "The Chipmunks," for example). Due to our ever-changing culture, these movies are the most popular among our children.

If you give permission for your child to view PG-rated movies at KABB, please sign below and return this form with your child's enrollment packet. Thank you!
